

DONE

Manufacturing

Metal Performance.

“*I am very pleased with Dane Manufacturing’s quality, lead times, and their ability to keep part costs level by continually automating equipment and processes. Dane Manufacturing is very innovative and supportive during the product design phase, which improves part quality and enables us to meet product launch deadlines.*”

— Matthew G. Bennett
VP, Product Development & Technical Services
InPro Corporation

“*Year, after year, after year, Dane Manufacturing is one of our top quality suppliers providing Lamson & Sessions with defect free parts.*”

— Leonard Hall
Manager Corporate Quality
Lamson & Sessions

On-Time Delivery

Outstanding Quality

Personal Service

Competitive Pricing

“*From design to production...*

Dane Manufacturing has been our solution for success! Their diverse manufacturing capabilities combined with advanced processes have made Dane Manufacturing an integral part of our supplier base.”

– Glenn R. Kennedy
Executive Vice President, Plant Operations
InPro Corporation

METAL PERFORMANCE

It all comes down to performance. Dane Manufacturing's professional, highly-skilled workforce know the importance of meeting customer commitments. In an effort to make it easy for you to do business with us, we strive to meet your expectations of deliveries that fit your schedules, quality you can depend on, personal service and competitive pricing. Many metal fabrication and stamping companies promise this, but Dane Manufacturing delivers metal performance.

“One of the things you can count on in this fast moving global economy is tough competition. Technology is the cornerstone on which we have retooled and refitted Dane Manufacturing for the 21st century. By leveraging this, Dane Manufacturing continues to win in the marketplace and our customers reward us with new business. At the end of the day, it’s about metal performance—on-time delivery, outstanding quality, personal service and competitive pricing.”

– Troy F. Berg
President
Dane Manufacturing

THE DANE DISTINCTION

- Top-of-the-line equipment including Trumpf Automated Punching Machines and Salvagnini Laser Cutting System
- In-house design capabilities from mechanical and manufacturing engineers
- 98%+ on-time delivery performance record
- Partnering with customers for over 85 years
- Winner of numerous customer quality awards
- Recipient of Dane County’s 2005 Small Business Award
- Caring attitude—we care about quality; your manufacturing processes; and you, our customer

SERVICES

As a full-service contract manufacturer, we offer a variety of services (which are never limited). We are constantly improving our facility, equipment and processes to help our customers and ourselves remain competitive in this global marketplace, and to help keep manufacturing in America. Feel free to challenge us with your particular needs.

- Laser Cutting
- CNC Automatic Punching
- Low and Medium Volume Stamping
- CNC Forming
- Spot Welding
- Arc Welding
- PEM Insertion
- Sheet Metal Fabrication
- Assembly Operations
- Prototype Design
- Wet or Powder Coat Paint
- Delivery via Dane Truck

“ABS Global prefers using Dane Manufacturing for its metal working needs because we receive competitive pricing with quick turn around time and our standing orders are always on-time. We find Dane Manufacturing to be very customer-oriented with feedback being a priority. They are also willing to help with a project even beyond their scope by referencing contacts outside of their realm to assist with our project completion.”

– Paul Turner
Laboratory Manager
ABS Global

where Metal meets Performance.

About Dane

Dane Manufacturing, established in 1917, has a rich tradition in contract manufacturing. As a precision metal fabrication and stamping company, we serve many different industries providing parts, subassemblies, and complete assembled products in a wide variety of metals and finishes. In-house design and engineering capabilities combined with our highly automated machinery allow us to create and manufacture virtually any shape or design of product.

Many metal fabrication companies promise on-time delivery, outstanding quality, personal service and competitive pricing, but Dane Manufacturing delivers metal performance.
